Spring 2022

On May 12<sup>th</sup> after the talk on Genealogy, there will be a General Membership Meeting. During this meeting new Board of Trustees will be voted on. New members for this Board of Trustees will be most welcomed. Any member of the Historical Society in good standing may put their name to be nominated to the Board Trustee's. We also have new By-laws for the Historical Society to approve. We also have new membership dues and sponsorships to go over. We will be collecting dues for anyone that still needs to pay their 2022-2023 dues. We will also have Chair Persons positions. Any person in the Historical Society can be a Chair Person. You do not have to be a member of the Board of Trustees. It is a good opportunity to volunteer. We will have a membership, program, communications, newsletter, fundraising and retail chair person spots available. We will also be serving pizza at the General Membership Meeting. We can't wait to see you all there.

Kathy Koveleski

Kathy Koveleski was born in 1925 and has been a member of the Wayne Historical Society since the 1970's. She is a member of the First Congregational Church in Wayne. When she showed an interest in history her friends suggested her to join the Wayne Historical Society. Kathy represents the strong relationship the Historical Society and Museum has allows had with the Congregational Church. These buildings in the heart of the city of Wayne have stood side by side since the 1870's. The members have shown the parking lot, ice cream socials, Christmas Tree lightings and outdoor church function for years. Kathy has been on the Historical Society's executive Board of Trustees for over 20 years as secretary and is still an honoree Board Member. She has volunteered through every event through wind, cold and rain. Kathy you are truly and inspiration and it is great to see you around town with your grandson Sam and friends.
